Let's get the earth back for that girl who you fell in love with...
Let's teach that asshole God a lesson!!
Now is a great time don't you think!
Don't pretend like it's strange!
Why the hell are you talking about that at a time like this!!
And why about such a ridiculous thing!?
W-wait...

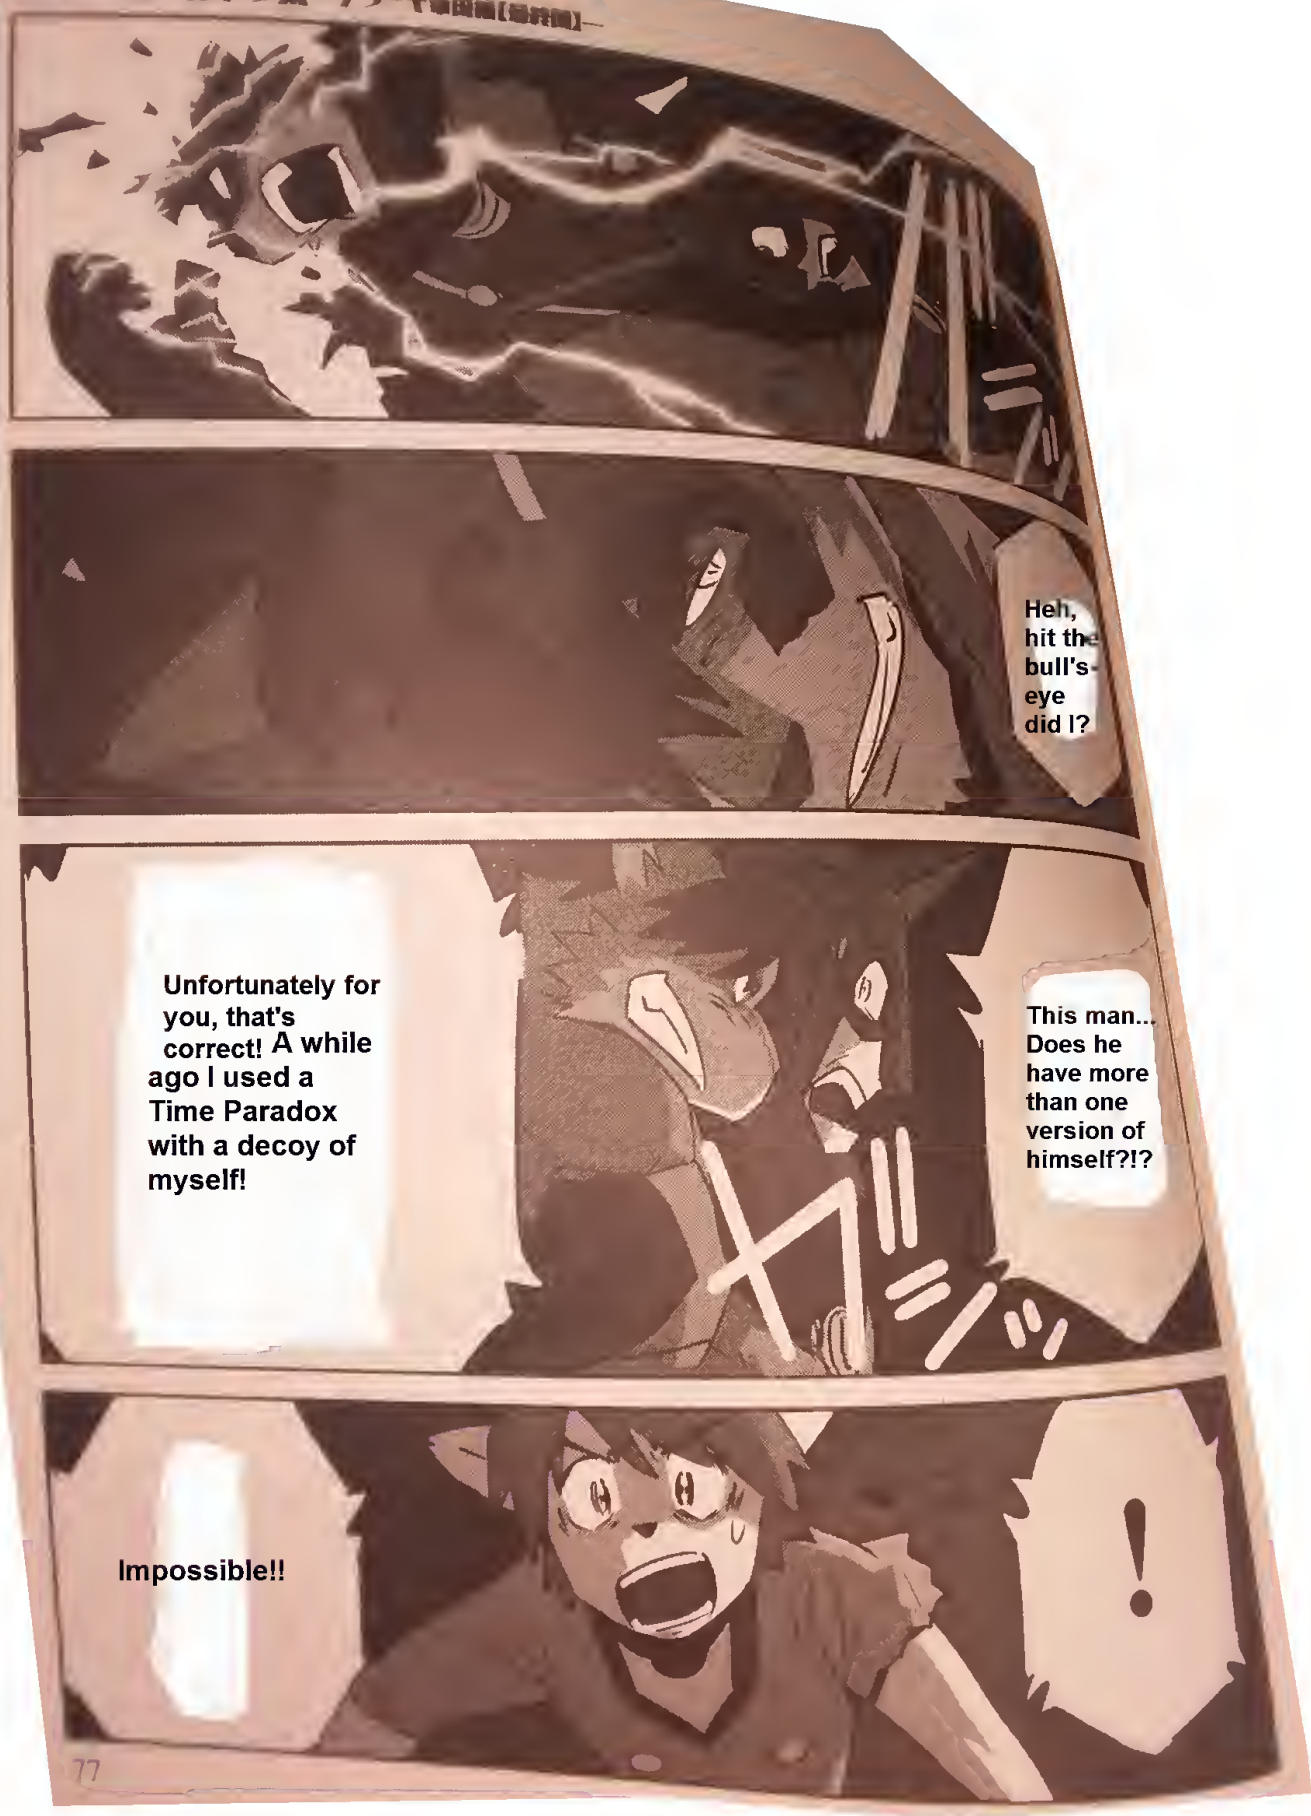
You've got a present to give
Besides,
It's the perfect chance!!
to that girl don't you!!

スーパーヒロイン ーアリー千年回廊[番外編]ー
tsk!
ガシャッ

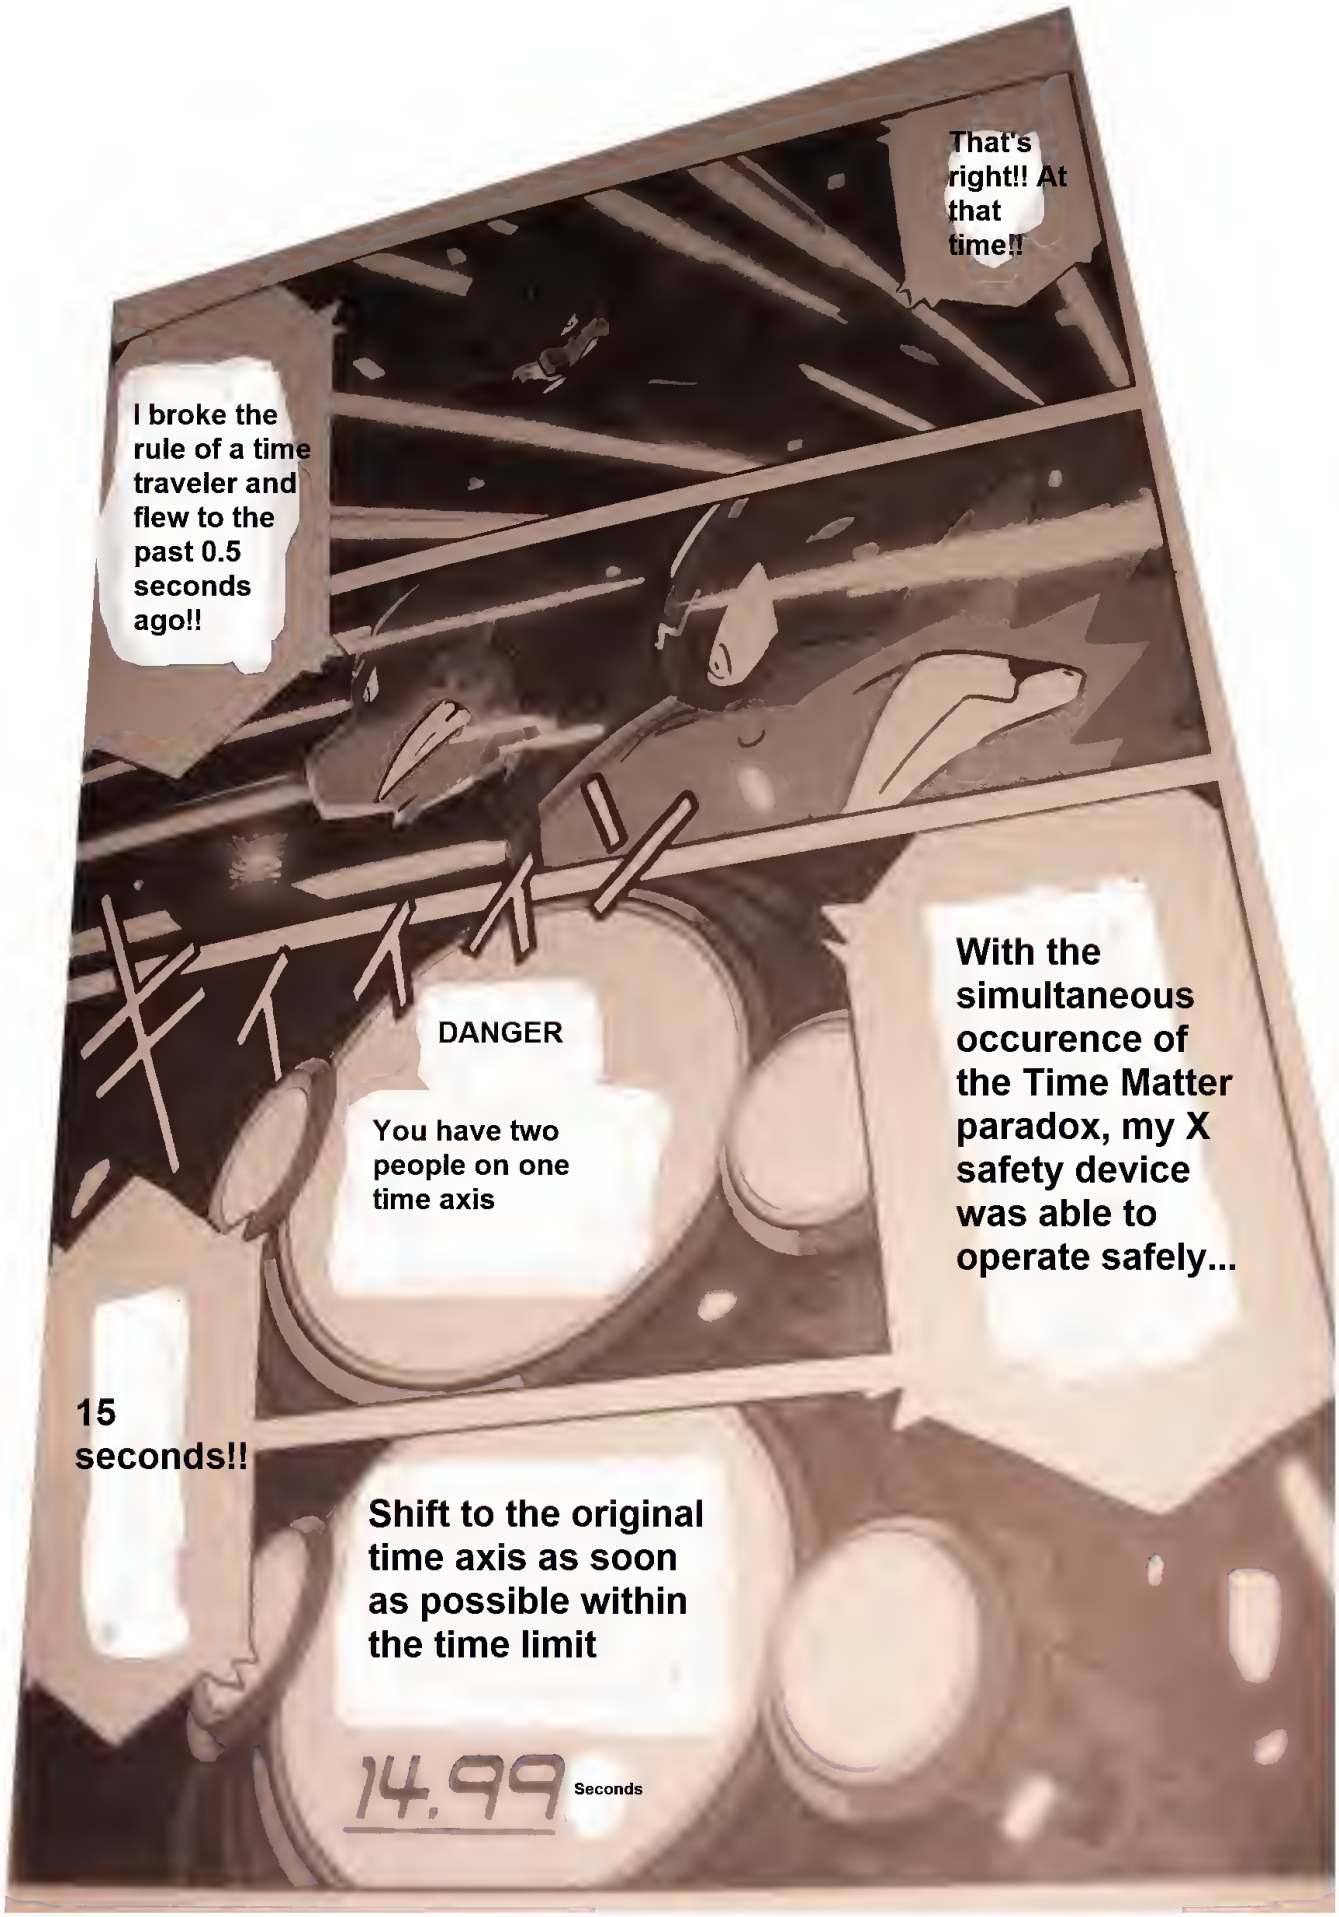
As one would expect, defense !!
Speed!!
Power!!
However!!

WANSER
Heh.

You Lost.
Again! Using shields and objects for defence is perfect....
B- Bastard...
I saw that the defense level for your body is horribly low!!
But!!



Heh, hit the bull's-eye did I?
Unfortunately for you, that's correct! A while ago I used a Time Paradox with a decoy of myself!
This man... Does he have more than one version of himself?!?
Impossible!!
!



That's right!! At that time!!
I broke the rule of a time traveler and flew to the past 0.5 seconds ago!!
DANGER
You have two people on one time axis
With the simultaneous occurence of the Time Matter paradox, my X safety device was able to operate safely...
15 seconds!!
Shift to the original time axis as soon as possible within the time limit
14.99 Seconds

I was released from the laws of time...
In the mean-time,
and one of version of myself became a decoy that was killed!!
And the other one...

Behind this guy...
The bastard fell for it!!
If the backwards person can not return to the original time axis within the time limit,
forced contradiction revision by Time Matter X will be done! !

To damage this monster,
enough energy must be generated!!
I'm leaving this sign to you!!
What I'm saying is,

ガバッ
オオオオオオ
ガラッ

It was disorientating for him to attack using the failure of time laws...
Ah!
!
This... this is pain...
How dreadful...

Bastard...
Even if I don't have a hand in it. . .
why fight me...
Both Stars will end up with the same result...

WHY?!

A world where people's hearts are sacrificed...
There is no future for a world like that!!

スーパーヒロインズ ―アリーナ会場(昼時間)―

That's great...
Thank you...
That's...
Ah!
